A day at work at Starbucks:

Our CCP students got to experience working as a drive-thru greeter, food service deliverer, a cashier, a mobile order greeter, and a food and beverage deliverer on the floor at Starbucks this week. Kelsey and Victoria took turns greeting and serving the drive-thru window customers, Gus and Grace took turns serving the mobile orders to customers walking into the store. Justin and Andrew worked together cleaning the chairs, chair bases, and sweeping. Our students worked hard and represented Cotopaxi High School very well. The Starbucks' employees welcomed our students and served as incredible mentors for our student employees who gained job skills training.

Janet Marchiani, Starbucks Manager, commented that she "was truly moved by it [the experience] honestly. This is what I had hoped to be able to do, thank you for your amazing gift to me and my team".

Special thanks to Mrs. Reta Martinez, Tom Lang, Ingrid Decker (Blair Decker's mother) and Mrs. Lori Decker who all came to Starbucks and showed their support!

Teacher News: All of the students were given Starbucks cups with lids which they decided to donate to their teachers with standing delivery orders.

Upcoming Events: Please mark your calendars for our next event at the **Little Red Hen Bakery in Salida on Friday, December 13, 2019 from 9AM-10 AM** and watch our students shine!
