CCP Welcomes Little Red Hen Bakery Community Partner during Walk-in Hours:

Emily and Andrew Lewis own the Little Red Hen Bakery (“LRHB”) in Salida, CO. The CCP welcomed them to walk-in hours on Monday, December 2nd. Emily was greeted by Gus, Andrew was greeted by Nico, and both were served by Victoria. Emily and Andrew watched the students learning and practicing job skills like communication. During our lesson, we introduced Emily and she announced that Justin was chosen as CCP student Employee of the Month. She then invited Justin to work at the LRHB on Friday, December 13th. Justin was so surprised and happy!! His classmates cheered and Victoria gave him a high five in celebration of being chosen to be student Employee of the Month.

Please Support: In preparation for his day at work at the LRHB, we are asking you to please visit CCP on Monday and Wednesday for walk-in hours during 7th period so that Justin may practice his job skills and cut you a free sample of a muffin and use his communication, attitude, and professionalism skills.
