As this was the last week of CCP class for our students, they answered a few questions of our own. Please enjoy some of the answers that Senior Victoria Robitaille (left), Junior Justin Robitaille (bottom left), Freshman Kelsey Buss (right), and Freshman Gus Belt (bottom right) had when asked about their CCP experience. They did an amazing job! We are so proud of how far our students have come this year. We look forward to seeing everyone at school and serving our customers and learning more important job skills.
